Students must be inquisitive, risk-takers: UGC Chairman

Prof. M. Jagadesh Kumar delivers 14th Convocation address of JSS Academy of Higher Education and Research

Prof. M. Jagadesh Kumar

Mysuru, Nov. 20 (RK&BCT)- Chairman of University Grants Commission (UGC) Prof. Mamidala Jagadesh Kumar has suggested that students must keep learning constantly, be prepared to take risks in life or career and learn from failures to grow further if they want to be relevant and have access to the new opportunities in the fast-changing world. "Together, the responsibility is on you to make India a fully-developed country by 2047," he said.

The UGC Chairman was speaking at the 14th Convocation of JSS Academy of Higher Education and Research (JSS AHER), Shivarathreeshwara Nagar, in city this morning. Suttur Seer & JSS AHER Chancellor Sri Shivarathri Deshikendra Swamiji graced the occasion.

The students, who received gold medals at the 14th Convocation of JSS Academy of Higher Education and Research (JSS AHER), Shivarathreeshwara Nagar, in city this morning, are seen with JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath, Vice-Chancellor Dr. Surinder Singh, Suttur Seer & JSS AHER Chancellor Sri Shivarathri Deshikendra Swamiji, UGC Chairman Prof. Mamidala Jagadesh Kumar and JSS AHER Pro-Chancellor Dr. B. Suresh.

Asking the students graduating from the institute to make the best use of their knowledge to attain professional success, Prof. Jagadesh Kumar stated that sustainable rural development is the key to make India a developed country and the focus should be on evolving strategies and interventions which are in tune with the changing socio-economic and environmental factors.

"You are stepping into a non-deal (situation where two parties fail to reach an agreement) world that has both challenges and opportunities. The challenges range from unstable and a divided economic system, climate change to gender discrimination. At the same time, there are several opportunities before you with the country becoming the fifth-largest economy in the world and the third-largest ecosystem for startups," he said.

Underlining words like 'Patanam' (study), 'Mananam' (memorising), 'Chinthanam' (thinking) and 'Sankeerthanam' (repeating), he said that the National Education Policy 2020 had set the direction to scale up the quality of education by providing personalised, individualised and learning outcome-based education, where students could excel in multi-disciplinary education.

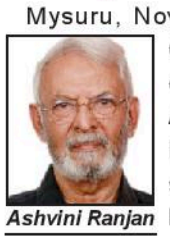
'In True Colours,' a photo expo by Ashvini Ranjan

Mysuru, Nov. 20- 'In True Colours,' a photo exhibition by Ashvini Ranjan, Founder-Trustee, Pratham Mysore, has been organised at Wadiyar Centre For Architecture (WCFA), Krishnaraja Boulevard, near Law Courts, on Nov. 25 and 26 between 11 am and 5.30 pm.



Ashvini Ranjan

Star of Mysore and *Mysuru Mithra* Founder-Editor Dr. K.B. Ganapathy will inaugurate the exhibition which will be followed by an exchange of viewer impressions.

"The photographs you see tell the stories of people who live simple and anonymous lives, engaged with struggles of daily existence. It is in such lives one sees true 'colours'. The pictures will speak for themselves," says Ashvini Ranjan.

EDITOR'S BOTTOMLINE

There are moments in life when we tend to be swayed by the influence of our more powerful or dominating well-wishers, who sometimes cannot see beyond their nose. We must learn the art of not blindly accepting suggestions out of a sense of obligation, because what appeals to our minds may not necessarily be acceptable to our hearts. Hence, a dollop of conscientious discretion during such times will do us well.

The Ramayana revolves around this pivotal point. Once, Dasharatha promised Kaikeyi two boons to express his gratefulness for saving his life.

The lady said she would redeem her boons as and when she needed them. Kaikeyi led a contented and honoured life in the loving royal family as the beloved wife of the king of Ayodhya. Everyone knew that she loved Rama better than her own son.

She was ecstatic when she learned of his coronation from her handmaiden Manthara. She refused to succumb to envy and pettiness when she was pressurized by the old lady. But Manthara was not the one to give up. She waged a psychological warfare on Kaikeyi's mind. She pointed out that the king who was already married wedded her in hope of begetting a son. She reminded the queen of the two boons and prompted her to seek the exile of Rama and the coronation of Bharatha. Manthara's words got the better of her.

Kaikeyi was slowly led down the path which she had not thought of in her wildest dreams. The hateful boons were sought and granted amidst a lot of emotional drama. Little did she know that her whimsical nature would grant her widowhood and the very son for whom she had sought the boon would go right against her.

The boons turned out to be veritable curses to her. Kaikeyi squirmed when she realised that she had been manipulated quite against her essential nature with her best interests in mind by her dearest well-wisher. Her guilt and sorrow worsened when Rama refused to return to Ayodhya despite her repentance. It takes a lot of reflection, reconsideration and balancing long term equations in relationships. Hence it will be in our best interests to hold on to our convictions that appeal to our conscience and integrity in the face of contradictory pressure especially from loved ones.

Boeing 787 lands in Antarctica in a 'world first'

Queen Maud Land: A team of scientists broke new ground when a plane capable of carrying more than 300 passengers landed in Antarctica, with aviators hailing it as a world first.

The Boeing 787 Dreamliner, successfully landed in Troll airfield recently, while basking in Antarctica's all-day summer sunlight. Carrying a 45-strong team of researchers and staff from the Norwegian Polar Institute, the organisation said they managed to bring 12 tonnes of research equipment.

"This is a major operation, and a milestone for air traffic to Queen Maud Land," said Institute's Director Camilla Brekke, referring to the location of their research station.

While the landing has been hailed as a landmark achievement, there is no indication that commercial flights are planned.

World's oldest dog dies in Portugal at age 31

Lisbon: Bobi, the world's oldest dog, has died at the age of 31 in Portugal, Guinness World Records said.

A purebred Rafeiro Alentejano who spent his entire life in a village in central Portugal. Bobi lived for 31 years and 165 days, breaking a record held since 1939 by an Australian cattle-dog that died at 29 years and five months.

"Despite outliving every dog in history, his 11,478 days on earth would never be enough for those who loved him," said Karen Becker, a veterinarian who met Bobi several times and who was the first to announce his death on social media. "Godspeed, Bobi."

He was declared the world's oldest dog in February this year. Bobi's breed, which traditionally has been used as sheepdogs, usually has a life expectancy of 12 to 14 years.

Plea to install hump on this road at K.C. Layout

Sir,

I am a regular walker from my residence at K.C. Layout to the temple at the foot of Chamundi Hill. This stretch joins the main Chamundi Hill road and is a walkers' delight with no traffic.

Of late, the traffic on this stretch has increased manifold because of several resorts on that road.

This road has a blind right angle turn near the temple which can be very dangerous to walkers. Recently a major accident was averted due to sheer God's blessings.

On behalf of the regular walkers and motorists, I request the DCP (Traffic) to visit this spot and install a hump on this road. Prevention is better than cure

Education should be creative: Writer CPK

Mysuru, Nov. 20 (SPN&BS)- Veteran Kannada writer Dr. C.P. Krishnakumar (CPK) said "Every student and teacher should be an ascetic to reach the goal of their life."

He was speaking after inaugurating Kuvempu Shikshana Chetana Award ceremony and staging of children's play, by beating the drum at Kuvempu Rangamandira in Vivekananda PU College premises, Jayalakshmipuram at the programme organised by Adamya Rangashale on Saturday.

"Education should be creative rather than being productive and accumulative. Hence the faculty at Universities should inculcate world conscience along with creative ability among students. The teacher should remain a student till the end and should practice whatever they impart to the students. Their conduct should be like igniting the soul of the students," said CPK.

"We should have a wide vision and Science and Arts should be our eyes. If Science is a tool for material growth, Art is the tool for achievement. The students of Science should also study Arts and so also the students of Arts study Science. Such a co-ordination among students is necessary," he observed.

Presiding over the programme, Director of Mysore University Prasaranga Prof. Nanjaiah Honganur said "The organisations should identify talents among neglected communities and encourage them. Adamya Rangashale's initiative of creating awareness about theatre among children and providing a suitable platform for their talent should get people's support."

Secretary of Adamya Rangashale Satish Jawaregowda delivered the introductory address. Lion D.S. Satish of The Nest Trust was the chief guest.

Founder Secretary of Adamya Rangashale Chandru, young poets T. Lokesh Hunsur, Dr. B. Basavaraju, N. Naveen Kumar, C.S. Raghavendra and lecturer M.R. Sahana were present.

Kuvempu Shikshana Chetana Award was conferred on following persons: Administrative Officer of BGS Educational Institutions, Mysuru, Dr. R.S. Narasegowda; Principal of Maharaja's Government PU College, N. Udayshankar; Principal, Government Girls PU College, Hassan, G.T. Annapoorna; Principal, Government Girls PU College, Hunsur, A. Ramegowda; Kannada lecturer, Government Boys PU College, Nanjangud, Dr. K. Malathi; Government PU College, Basaralu, Mandya, Lokesh Bekkalale; Kannada lecturer, Sadvidya Composite PU College, Mysuru, K.P. Manjunath and Kannada lecturer, Gopalaswamy PU College, G.R. Srivatsa.

Children of Adamya Rangashale staged the play 'Uyyo Uyyo Maleraya' written by Krishnamurthy Biligere.

Say NO to corruption, commit to nation: Dr. S. Gandhi Doss

Valedictory of Vigilance Awareness Campaign 2023 at CSRTI, Mysore

Mysuru, Nov. 20 - The Central Sericultural Research and Training Institute (CSRTI), Mysore had organised the valedictory of Vigilance Awareness Campaign 2023 on Nov. 15.

In his address, CSRTI Director Dr. S. Gandhi Doss stressed on being honest at the work-place and saying no to corruption.

He also spoke about the Indian culture and its honesty and highlighted the efforts and achievements of the prestigious research organisation in India.

"We should all unite together to eradicate corruption to achieve success in all the fields in the country. In this line, this institute has organised various events like awareness programme on PIDPI (Public Interest Disclosure and Protection Informers), display of the poster of PIDPI at the office premises and Vigilance Awareness Week-2023," he said.

Lakshmipuram Police Station Inspector B.S. Ravishankar, said "Under Prevention of Corruption Act 1988 and Amendment of Prevention of Corruption Act 2018, anything in the form of property, valuables or cash received or given is considered as corruption."

Further, he explained about how forensic techniques are deployed by Lokayukta personnel in solving cases related to corruption by catching the culprits red-hand.

He also urged the gathering to lead a peaceful life without resorting to corruption.

He emphasised the importance of sericulture in India and appreciated the growth achieved by CSRTI in the recent years.

He also informed that the environment and attitude are the two major things that will indulge individuals in corruption; if one can control these two factors then he or she can lead a corruption-free life. Honesty is the best policy, if we are honest then only country will prosper, he added.

Inspector Ravishankar also interacted with the Scientists, Officers, technical staff and workers answering their queries on corruption and its control.

A "Bulletin on Vigilance Awareness Campaign 2023" was also released on the occasion.

The oath-taking ceremony of Vigilance Awareness Campaign 2023 was held on Oct.30.

During this campaign the CSRTI Mysore conducted GeM Procurement Procedures for its staff and Awareness on PIDPI organised at Marballihundi village in the district, which was attended by 60 farmers.

Scientist - C Dr. T. Gayathri compered the programme.

Senior Scientists Dr. K.B. Chandrashekar, Dr. R. Bhagya, Dr. M.K. Raghunath, Dr. S. Balasaraswathi and Dr. Meenal, staff, research scholars, students and workers were present at the Vigilance Awareness event.

Three drown in KRS backwaters

Harish Nanjunda Jyothi

Srirangapatna, Nov. 20- Three persons including an 18-year-old girl were drowned in KRS backwaters near Venugopalaswamy Temple yesterday. The deceased have been identified as Harish (32), staff of Mysuru's Karunya Trust, Jyothi (18) and Nanjunda (19), inmates of the Trust, which takes care of poor children.

A total of 25 persons from the Trust located at Roopa Nagar near Bogadi in Mysuru had come to Venugopalaswamy Temple in KRS backwaters on an excursion. A few of them ventured into the backwaters to play during which one Divya began to drown which was noticed by Harish and Nanjunda who jumped into the water and rescued her.

But Harish and Nanjunda, who were unable to come to the shore, were drowned. Seeing Harish and Nanjunda struggling to come out of the water, Jyothi jumped into the water to rescue them but was drowned.

KRS Police and Fire & Emergency Services personnel, who arrived at the spot managed to fish out the bodies with the help of expert swimmers and shifted them to MMC&RI mortuary in Mysuru and Divya was provided medications at a local hospital. A case has been registered at KRS Police Station.

Mother, toddler die of electrocution in B'luru

Five BESCom officials arrested, compensation of Rs. 5 lakh each to deceased family

Soundarya

Bengaluru, Nov. 20- A woman and her nine-month-old baby girl lost their lives after the woman accidentally stepped on an unattended live electric wire on the pavement near Hope Farm in Kadugodi Police limits in Bengaluru yesterday.

The victims have been identified as Soundarya (23) and her daughter Suviksha. They were walking home after arriving from Tamil Nadu when the incident took place. By the time people rushed to their help, they were charred to death.

Kadugodi Police, who registered an FIR against five Bangalore Electricity Supply Company (BESCom) officials charging them with causing death due to negligence, have arrested Executive Engineer Sriram, Assistant Engineer S. Chethan, Assistant Executive Engineer T. Subramanya, Junior Engineer Rajanna and Station Operator Manjunath.

According to the complaint filed by Soundarya's husband Santosh Kumar, the family had gone to his native place, Neyveli, in Tamil Nadu and were returning to their house in AKG Colony.

They got down at Silk Board junction and took a bus to Hope Farm to reach their home. As they were walking towards the home at about 5 am, Soundarya stepped on the live power line during which she and her baby were electrocuted, caught fire and were charred to death in front of him (Santosh).

Alleging negligence on the part of BESCom officials, Santosh filed a complaint with Kadugodi Police, who registered a case IPC Section 304A and arrested the five BESCOM officials.

Energy Minister K.J. George announced that an inquiry was underway and the lineman, Assistant Engineer and Assistant Executive Engineer (AEE) were suspended for dereliction of duty.

The Minister has tweeted that a compensation of Rs. 5 lakh each will be provided by the State Government.

After post-mortem, the bodies were handed over to Soundarya's parents which has created controversy.

Former RBI Governor passes away

Venkitaramanan

Chennai, Nov. 20- Former Governor of the Reserve Bank of India (RBI) S. Venkitaramanan passed away following brief illness yesterday. He was 92.

He is survived by two daughters and their families.

Venkitaramanan managed the affairs at the Central Bank when the country faced two major crisis — balance of payment crisis that led to the pledging of gold and the securities scam triggered by Harshad Mehta — in the 1990-92 period.

He had served the RBI between December 1990 and December 1992.

RBI Governor Shaktikanta Das hailed him as an 'outstanding personality' and 'public servant' and recalled his immense contributions during the period of crisis.

Venkitaramanan's term also saw India adopt the International Monetary Fund's (IMF) stabilisation programme where the Rupee underwent a devaluation and the launch of the programme of economic reforms, the RBI said in its website.

PFA Mysuru team rescues dog hit by train at Arsikere

Mysuru, Nov. 20 (BCT)- In a swift and timely response, a dog which was struck by a high-speed train in Arsikere was rescued and has been relocated to Mysuru for medical care.

Shubham Sikar, a railway employee, alerted People For Animals (PFA), Mysuru, about the incident on the evening of Nov. 17.

The Vande Bharat train had hit the dog approximately 135 kms from Mysuru. PFA immediately dispatched an ambulance, including Dr. Amardeep, a veterinarian, and Murthy, an ambulance staff member, to Arsikere.

The journey from Mysuru to Arsikere took around 3 hours and 30 minutes. Upon arrival, the rescue team discovered the dog still alive but in distress. On-site medical attention was provided to the injured dog, followed by its safe transportation back to Mysuru.

The injured canine received prompt medical attention and an X-ray revealed a spinal injury, and the veterinary team administered pain-killers and neurobion injections to alleviate the suffering and enhance the recovery process.

"PFA remains committed to the well-being of animals in distress and this incident underscores the importance of a prompt and decisive response," said a press release from PFA.

The condition of the dog and its recovery was being monitored, it added.

B.Y. Vijayendra accorded warm welcome in Mysuru

Mysuru, Nov. 20 (GA&DM)- The newly appointed State BJP President B.Y. Vijayendra was given a warm welcome by party workers when he arrived in city on Sunday afternoon for the first time after becoming the State BJP Chief.

Hundreds of party workers, who were waiting at Manipal Hospital junction on Mysuru-Bengaluru Highway, welcomed Vijayendra by garlanding him with a huge apple garland using a crane and showering flower petals on him.

Former Zoo Authority of Karnataka (ZAK) Chairman L.R. Mahadevaswamy presented a silver mace to Vijayendra. The party workers raised slogans hailing Vijayendra, his father and former Chief Minister B.S. Yediyurappa.

Speaking to presspersons on the occasion, Vijayendra said that the Central BJP leadership has entrusted him with the task of building the party just like a T20 Cricket match as there was a few months left for the Lok Sabha polls.

Noting that team work is important in politics too just like a cricket match, he said the people were awaiting that Modi becomes the Prime Minister again at a time when the country is making rapid progress in all fronts.

Stating that he came to limelight when he was tipped to be made the BJP candidate in Varuna Assembly segment to take on the then Chief Minister Siddharamaiah in the 2018 Assembly polls, Vijayendra asserted that he has received good response from the party workers in all districts that he toured since taking over as the State BJP Chief.

Rs. 20 crore to 100 startups under 'Elevate Karnataka': Minister Priyank Kharge

Priyank Kharge

Bengaluru, Nov. 20 (KMS&BCT)- Under the 'Elevate Karnataka' programme, the State Government plans to allocate approximately Rs. 20 crore to support about 100 startups this year. Startups seeking funding and mentorship for scaling up can submit applications until December.

Priyank Kharge, the Minister for Information Technology and Biotechnology, Rural Development and Panchayat Raj, announced that the Government will offer a one-time grant of up to Rs. 50 lakh to each startup, aiming to boost innovators in need of early-stage funding.

Since its inception in 2015, the Government has already funded Rs. 197 crore to 874 startups, including notable ones like Bounce, an electric scooter manufacturer and Shuhari Tech Ventures, a fintech company led by women. Of these funded startups, 24 percent hail from Tier-2 and Tier-3 cities, and 30 percent were founded by women, according to Kharge.

The initiative's objective is to create a holistic entrepreneurial platform, providing startups with access to mentors, networking opportunities, funds, idea validation and incubation facilities. These contributions span various sectors, acting as catalysts for startup development.

Under 'Elevate Unnati', a component of the 'Elevate Karnataka' scheme, the Government is specifically promoting startups from SC and ST communities. To date, 91 startups founded by SCs and STs have received funding. Additionally, 18 startups from the Kalyana-Karnataka region have been granted Rs. 3.5 crore, as per the Minister.

Kharge emphasised the Government's commitment to supporting startups in Tier 2 and Tier 3 cities and rural areas across the State, noting that these startups have collectively generated thousands of jobs. The Government aims to facilitate direct access to venture capitalists, providing mentorship, incubation, market access, networking, and funding for startups.

The Minister emphasised that the Government is prepared to be the first customer for startups, highlighting that the support goes beyond funding to encompass the entire entrepreneurial journey, with the goal of ensuring the success of these startups.

Beyond Bengaluru, an initiative led by the Department of Electronics, IT and BT, focuses on fostering the establishment of startups and industries in Tier II towns such as Mysuru, Hubballi, Mangaluru and Belagavi. This sector-specific approach aims to facilitate the growth of startups in various industries like agriculture, biotechnology and aerospace in specific towns.

Mysuru-Kushalnagar Railway Line

Survey report to be submitted to Railways next month: DRM

Shilpi Agarwal

Kushalnagar, Nov. 20 (Akshay&BCT)- The survey work for the 84.50-km Mysuru-Belagola-Kushalnagar Railway line, initiated in September 2022, is nearing completion and the land survey report is expected to be submitted to the Mysuru Divisional Railway Manager (DRM) next month.

Confirming this to *Star of Mysore,* DRM Shilpi Agarwal mentioned that they are anticipating the report of the land survey conducted from Belagola Railway Station in Srirangapatna taluk of Mandya district to Kushalnagar. "The survey report and the Detailed Project Report (DPR) are likely to be submitted next month, after which the works will commence," she added.

In October 2020, the Chief Administrative Officer, Construction, South Western Railway (SWR), called for a final location survey for the new broad-gauge line between Mysuru (Belagola) and Kushalnagar. The railway line, sanctioned in 27.2.2019 by the Ministry of Railways for Rs. 1,854.62 crore, received a grant of Rs. 1,000 crore in the Union Budget 2022-2023.

The physical survey is also approaching its conclusion, with the survey team marking the land to be acquired up to Giriguru on the Mysuru-Kodagu border. The railway line will traverse from Belagola to Hunsur, Chilkunda, Periyapatna and reach Giriguru (in Mysuru District), where the final Railway Station will be established. However, the line will not extend to Kushalnagar in Kodagu and will end at the border of the two districts.

Giriguru, located on the banks of the River Cauvery, will have a bridge constructed across the River to provide connectivity to Kodagu district. Nevertheless, it will only serve as a connecting bridge for passengers, as the train will not proceed beyond Giriguru, according to sources.

Soil testing work has been entrusted to Tamil Nadu-based Global Projects by the Railways, tasked with investigating sub-surface geophysical conditions for planning and design using integrated geographical and geophysical data. The company is assessing soil types such as topsoil, clay soil, stone-mix soil found in earth's floor to determine infrastructural feasibility.

In conjunction with the soil test, multidisciplinary investigations, including topographical, gradient, geotechnical and hydrological studies, land acquisition survey and rail track mapping survey, are being completed for the entire route. These surveys are integral to the final location survey, a crucial initial step before initiating any Railway project.

The exact land usage considerations encompass comprehensive land patterns, including height, depth, undulation, levelling patterns, rivers, vegetation and streams. Once the survey is completed, the ground properties are utilised in planning the tracks, sub-stations, bridges, slope stability of cuts and the overall stability of the tracks.

Barricades near Sub-Urban Bus Stand to be removed if unscientific: DCP

Mysuru, Nov. 20 (RK&BCT)- The barricades laid on the Bengaluru-Nilgiri (BN) Road near the Sub-Urban Bus Stand will be removed if found unscientific, said Deputy Commissioner of Police (Crime and Traffic) S. Jahnavi.

She was speaking to *Star of Mysore* this morning regarding the barricade laid ahead of the section where rental cars are parked. Over 15-ft of the road has been barricaded to an extent of over 250 metres, shutting down that section of the road.

The Mysuru Hotel Owners' Association had taken objection to the barricading move.

In a press release, Association President C. Narayanagowda questioned the rationale behind erecting the barricade in an unscientific manner.

"This barricade serves no purpose and moreover it inconveniences the commuters. Previously, relatives of bus passengers used to park their cars on this side and pick them up after their bus journey. However, with the recent barricading and the installation of a no-parking sign, available space is wasted, and cars are now being parked in the middle of the road, creating an appearance of road closure," he said.

Narayanagowda has urged the Police to remove the barricade. "I have not visited the place and I will eventually. If it is unscientific, the barricades will be removed," the DCP said.

Meanwhile, Traffic ACP Parashuramappa said that the Devaraja cops had placed the barricades without the approval of the Inspector. "It is an unscientific barricade on the road. We will get it vacated," he added.

Students must be inquisitive, risk-takers: UGC Chairman

(Continued from page 1)

Apart from being a continuous learner, one must be ready to take risks, must be a team player, good communicator and must be a critical thinker, he opined. Sharing anecdotes, examples of mythological characters like Nachiketa and Lord Yama to the present-day innovators like Tessy Thomas, the former Project Director for Agni-IV missile in Defence Research and Development Organisation, Prof. Jagadesh Kumar asked the students to be inquisitive and build the spirit of innovation.

The UGC Chairman said that the higher education institutions need to invest in academic and research excellence, develop systems that foster freedom to carry outstanding research that meets the local, national and global needs of people. The institutions need to create an environment to provide maximum opportunities to students and faculty.

In all, 2,546 graduates received their degrees and diplomas. Besides, 49 candidates were awarded Doctor of Philosophy degrees and 55 academic toppers were presented with 84 medals and awards with certificates for their exceptional academic performances.

'Must ensure PM Modi's return to power in LS polls'

Karnataka BJP Chief Vijayendra on whirlwind tour of Mysuru and Mandya districts

State BJP President B.Y. Vijayendra addressing media persons at BJP City Office in Chamarajapuram this morning. Others seen are Mysuru-Kodagu MP Pratap Simha, former MLC C. Ramesh, former Minister C.H. Vijayashankar, Krishnaraja Constituency MLA T.S. Srivatsa, former Kollegal MLA N. Mahesh and State BJP Vice-President M. Rajendra. Also present were former Chamaraja MLA L. Nagendra, former Kollegal MLA S. Balraj, former Nanjangud MLA B. Harshavardhan and former Gundlupet MLA C.S. Niranjan Kumar.

Mysuru, Nov. 20 (BLU&BS)- Karnataka BJP President B.Y. Vijayendra, who is on a whirlwind tour of Mysuru and Mandya districts since yesterday, called on the top leaders of the party, RSS functionaries and Booth Presidents, besides addressing party workers and meeting party sympathisers, has set a task for the party workers to ensure the return of Prime Minister Narendra Modi to power at the Centre in the forthcoming Lok Sabha (LS) elections due to be held in April-May 2024.

Addressing media persons at BJP City Office in Chamarajapuram this morning, Vijayendra, also the Shikaripur MLA, said, "BJP National President J.P. Nadda, PM Modi, Home Minister Amit Shah and BJP National General Secretary (Organisation) B.L. Santosh have assigned me the responsible position. Understanding the responsibilities which come with the new task, my first priority is to organise the party with the co-operation of the workers in the coming days to reach the only target of strengthening the hands of PM Modi further by sweeping all the 28 Parliamentary Constituencies in the State."

Admitting that the party had to suffer a setback in the recent Assembly elections in the State, Vijayendra gave a call to the workers to move over and work with a clear resolve to reinstall the party in power, even if the elections are held anytime in the future. Like the priority given to Lok Sabha, Assembly and Council elections, equal importance will be given to Zilla Panchayat and Taluk Panchayat polls too, added Vijayendra.

He also admitted that there are differences within the party and as a party chief he will take all together.

Taking a dig at Congress Government in the State, Vijayendra said, "They came to power in the State by winning 135 seats, on the plank of several promises made to the people. Now, they are working against the interest of the people. During the hustings, CM Siddharamaiah and Deputy CM D.K. Shivakumar posed like a pair of oxen, but now both are waiting for the opportunity to unseat each other. It's the constituents who have to suffer for no funds released to take up any developmental works."

Wait for Congress' fate

When his attention was drawn towards the recent statement of CM Siddharamaiah predicting the downfall of BJP in LS polls, Vijayendra turned the tables on Siddharamaiah saying, "Wait and watch what would be the fate of Congress party in the elections, as the days are not far when the raging discontent within the party will spill over in the open."

Priyank Kharge must resign

He also demanded the resignation of RDPR Minister Priyank Kharge for the assault involving suspected goonda elements on BJP leader Manikanta Rathod who had contested against him in the recent Assembly polls from Kalaburagi Constituency in Kalaburagi district.

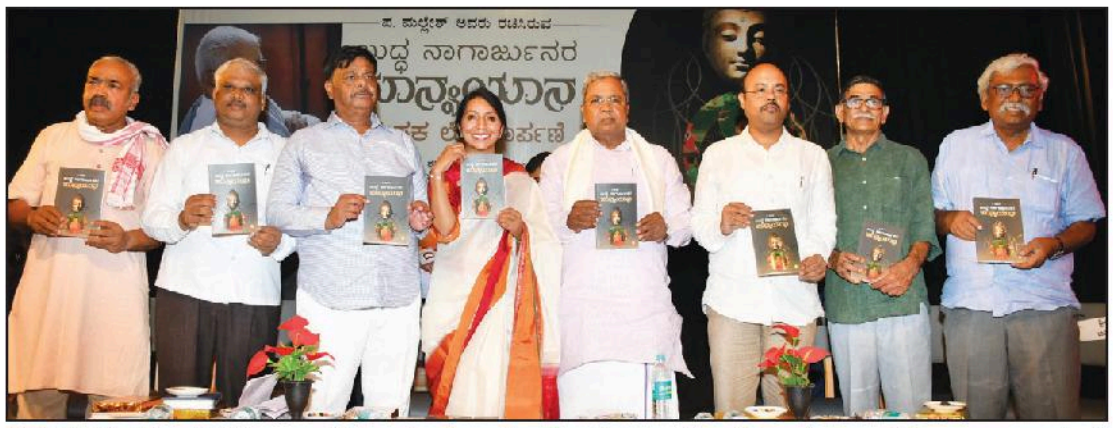
I too wanted to go to jail: Siddharamaiah



Chief Minister Siddharamaiah releasing the book 'Buddha Nagarjunara Shoonyayaana' at Ramagovinda Rangamandira in Ramakrishnagar here on Saturday as District Minister Dr. H.C. Mahadevappa, former MLA Dr. Yathindra Siddharamaiah and others look on.

Mysuru, Nov.20 (BLU&DM)- Recalling his earlier days when he used to take part in movements for social causes, Chief Minister Siddharamaiah said he too loved to go to jail along with other activists during those movements.

He was speaking after releasing late social activist P. Mallesh's work 'Buddha Nagarjunara Shoonyayaana' at a programme organised at Ramagovinda Rangamandira in Ramakrishnagar here on Saturday.

Pointing out that he too was part of an agitation against imposition of Emergency in which P. Mallesh, A. Ramanna and Vedanta Hemmige had taken part, Siddharamaiah said he was ready to go to jail if the Police wanted to. 'I had also told my family members then that I would come out of jail in six months,' he said while recollecting the days when he had taken part in movements in the seventies and early eighties.

Stating that the then Devaraja Inspector Halappa had come to K.R. Circle where an agitation against Emergency was going on when Mallesh and others escaped the Police, he said, "However myself and two others were taken into custody and brought to the Police Station. All the three had to spend the night in the Police Station. But the Police sent Ramanna and Vedanta Hemmige to jail while I was let off. I said I too want to go to jail but the Police did not oblige and asked me to leave the Police Station and go home."

"Being an advocate, I was the Mysore Bar Association Secretary when I practiced Law. When Gundurao was the Chief Minister, the then SP, who was taken to task by Gundurao, took Prof. Ramdas, P. Mallesh and others into custody and produced them before the Court. Then, I told the Judge about the intention of the Police.

Later, as the hearing began, I asked Ramdas to wear the dress of an advocate and succeeded in bringing him out of the Court Hall through the back door. Thereafter, I also succeeded in bringing Mallesh too by escaping the Police watch and took him in my scooter to a friend's house in Jayanagar," he said adding that Mallesh was a hardcore socialist and practiced secular principles.

District In-charge Minister Dr. H.C. Mahadevappa, former MLA Dr. Yathindra Siddharamaiah, Senior Journalist G.P. Basavaraju, Savitha P. Mallesh, Bhakta Ramegowda, Ugranarasimhegowda, Abhiruchi Ganesh and others were present.

Building an equal society is the best respect for Babuji: CM

Mysuru, Nov. 20 (PM&DM)- Asserting that building an equal society is the best respect that we can give for Dr. Babu Jagjivan Ram (Babuji), Chief Minister Siddharamaiah said we have to fight the forces that attempt to distort or weaken the Constitution.

He was speaking after releasing writer Harish Kumar's work 'Aadhunika Bharatada Nirmatru Dr. Babu Jagjivan Ram' and 'Babuji Chitra Samputa' at a programme organised under the joint aegis of Gandhi Vichara Parishat and Social Justice Foundation at Kalamandira here Saturday.

Observing that Dr. Babu Jagjivan Ram was a Statesman-politician, Siddharamaiah opined that any work for saving Democracy and the Constitution is the best possible way for respecting our leaders who fought for our freedom.

Noting that there are vested interests all the times, he stressed on the need for identifying them and weaken them.

Continuing, Siddharamaiah said that the intention of any Government should be to implement the Constitutional aspirations in accordance with the provisions. At the same time, the objective of everyone is to build an equal society with an aim of removing poverty, hunger, unemployment, illiteracy and the like. We should also work towards building the nation as dreamt by great leaders such as Dr. B.R. Ambedkar, Mahatma Gandhi, Nehru and Babuji, he added.

District Minister Dr. H.C. Mahadevappa, in his address, said that Babuji contributed a lot for self-sufficiency in food through Green Revolution. He has also contributed a lot by serving as the Union Defence, Railway, Labour, Irrigation and Agriculture Minister, he added.

Former MLA and Congress leader Dr. Yathindra Siddharamaiah too spoke. Former University of Mysore Prasaranga Director and writer Prof. C. Naganna spoke about the book.

CM's Media Advisor K.V. Prabhakar, former faculty Prof. Anuradha, Advocate N. Shivaprasad and others were present.

Letters Committee headed by H.D. Revanna inspects records

Mysuru, Nov. 20 (RK&DM)- The Members of the Letters Committee of the State Legislature headed by MLA and former Minister H.D. Revanna visited the city and held a meeting with officials from various Departments at the ZP Hall here recently.

The Committee inspected records of MUDA, MCC, ZP, Revenue, Health Departments and interacted with the officials on maintenance of records and audit of accounts regarding the usage of Government grants, return of unspent money and maintenance of records.

The Committee visited the University of Mysore, KSOU and other Government Departments on Saturday, it is learnt.

Tailoring training for women at RUDSETI

Mysuru, Nov. 20- Rural Development and Self Employment Training Institute (RUDSETI) in association with National Rural Livelihood Mission and Mysuru Zilla Panchayat is conducting a 30-day tailoring training programme for women which was inaugurated at RUDSETI premises in Hinakal on Nov. 17.

Speaking after inaugurating the training programme, Mani, proprietor of Sri Devi Ladies Fashions Hootagalli, exhorted women not to limit themselves to household works, use their skills in self employment and try to focus on increasing the income of their family. "Every member of the family should cooperate and support her to become successful. By starting a small tailoring business at home, it is possible to earn enough income to maintain a family," Mani added.

RUDSETI Director Saritha, who presided said that dress is one of the basic essentials of human beings and everybody has the desire to wear new design outfits. "Hence, costume designers are always in demand. When we make good use of this demand, women can earn more money and better our financial condition. Tailoring is a very good profession and helps to earn a decent livelihood," she added.

A total of 35 women are taking part in the training programme.

Cricket World Cup: Heartbreak for India; Australia wins record-extending 6th title

Ahmedabad, Nov. 20- Australia are world champions for a record-extending sixth time! The Pat Cummins-led side played like a champion team against the Rohit Sharma-led India and deservedly won the Cricket World Cup 2023 title at Narendra Modi Stadium in Ahmedabad yesterday.

Coming into the match, India were clearly the favourites, being the only undefeated team in the tournament. However, Australia showed once again why they have the most number of World Cup titles as they saved the best for the last.

Australia opted to bowl first and bundled out India for 240 in 50 Overs. On a tough batting surface, skipper Rohit Sharma (47 in 31 balls, with four boundaries and three sixes), Virat Kohli (54 in 63 balls, with four boundaries) and K.L. Rahul (66 in 107 balls, with one four) posted important knocks.

Mitchell Starc (3/55) was the pick of the bowlers for Australia. Skipper Pat Cummins (2/34) and Josh Hazlewood (2/60) also bowled well. Adam Zampa and Glenn Maxwell got a wicket each.

In the chase of 241, India had the Aussies down at 47/3. Knocks from Travis Head (137 in 120 balls, with 15 fours and four sixes) and Marnus Labuschagne (58 in 110 balls, with four boundaries) left the Indian team without answers and guided them to a six-wicket win in 43 Overs. Mohammed Shami took one wicket while Jasprit Bumrah took two wickets.

Kohli was named the 'Player of the Tournament,' having scored the most number of runs while Shami ended the campaign as the 'Top Wicket-Taker.'

Bikeathon creates awareness on safe riding

Mysuru, Nov. 20- The Rotary Mysore JeevaRaksha 6th Annual Bikeathon on Riding Safety was organised by Rotary Mysore, Rotaract Mysore, SVYM & JeevaRaksha on Nov. 18 and 19.

The bikeathon had flash mobs, street plays, first-aid and CPR demos with Vivekananda Memorial Hospital and St. Joseph's Nursing students, all the way from Mysuru to Chitradurga and back joining simultaneous bikeathons starting from Bengaluru.

Flag-off was at Kote Janeyaswamy Temple, North Gate of Mysore Palace, by Smitha Manjesh, to commemorate the memory of Rtn. Manjesh Kumar, one of the originators of the bikeathon.

More than 60 bikers, including Rotarians, Rotaractors, JeevaRaksha personnel and youth, participated in the event.

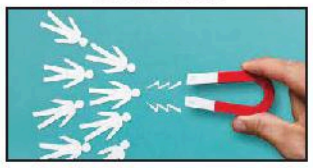
WORD OF THE DAY

Gravitate



Pronunciation: GRAV-uh-tayt.
Meaning: To gravitate is to move, tend to move, or be attracted to or toward someone or something.
Origin: The force is strong in the family of words descended from the Latin adjective gravis, meaning "heavy": gravitation has it, graviton has it, and gravitate has it, too. That force is gravity (gravity being another gravis descendent), a fundamental physical force that is responsible for bringing us literally back down to earth (or Tattooine, as it were). But you don't have to be a full-fledged linguistic Jedi, young padawan, to know that gravity, like its Latin ancestor, also has figurative meanings, as does gravitate. When it first landed in the 17th century, gravitate meant "to apply pressure or weight," and later it maintained its connection to literal gravity with a sense (still in use today) meaning "to move under the effect of gravitation." It then, however, acquired a more general sense of "to move toward something" (such as toward a specific location), and finally a metaphorical sense of "to be attracted," as in, "when choosing movies to watch she often gravitates toward space operas."
Example: "... Olipop has grown into a nationwide brand and favourite among Gen Z and millennial consumers, who gravitate to the brand's eye-catching packaging and nostalgia-inducing flavours like root beer and vintage cola—many of which [CEO, Ben] Goodwin comes up with in the early hours of the morning." — Morgan Smith and Lauren Shamo, CNBC, 16 Sept. 2023.

THE ODD WORD

Galeated

Shaped like a helmet.

PHRASE OF THE DAY

Go down like a lead balloon

Meaning: The expression "Go down like a lead balloon" is used to describe something that failed miserably, and that was utterly unsuccessful.
Origin: The US version of this phrase is 'Go over like a lead balloon'. This phrase was first heard in the year 1924 in a Mom-N Pop Seinfeld sitcom.
Example: "He thought he was funny; really though, his jokes went down like a lead balloon."

QUOTE BOX

Hope is a helium balloon. It is a wish lantern set out into the dark sky of night. **— Sharon Weil**

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
